

CHECKLIST

What do I have to do before moving to Poland?

3 month before:

- make sure your company applied for a work permit for you

- get a travel health insurance

- apply for visa (if needed)

2 months before:

- start searching for a flat and sign a preliminary agreement

- start learning basic Polish words

- apply for visa (if needed)

1 month before:

- apply for a European Health Insurance Card (if you're an EU citizen)

- open a Polish zloty bank account or Revolut account
